The WWHA recognizes that many Walking Horse Associations, Clubs and Organizations across the country and around the world have set a standard and precedent for decades of sound horsemanship and we want to recognize them for their hard work.

**CONFIDENCE** - The WWHA has established a registry that can be trusted. Options for registering pure bred Walking Horses or those with lost or missing bloodlines so they can document and track the horse's performance and/or progeny.

**CREDIBILITY** - The WWHA uses state of the art technology from Texas A&M University to provide DNA testing to establish genealogy not only for your horse but for the breed.
